

Join The **2026** GHS Diamond Club!

When you join the **GHS Diamond Club** you are part of the team behind the team - giving every player in the Greenwich High School Baseball Program a stronger, richer, and more memorable baseball experience. The school budget covers the basics but *your* support helps to fuel the season!

Here is how your membership makes it happen:

- Additional uniforms and team gear
- On-field equipment and improvements
- GameChanger memberships for all teams
- Photography, videography and yearbook
- Professional development for our coaches
- Subsidies for winter workouts, away-game meals, team building and awards banquet
- Player scholarships
- Senior day and community events
- Coaches gear
- Web hosting, communication tools and payment platforms
- Other essential investments that directly support our athletes

Your membership donations are **fully tax-deductible**, as the GHS Diamond Club is a certified 501(c)(3) nonprofit. **Many employers also offer matching gift programs** - check if your company will match and double your support for the team! **Your contributions are the program's single greatest source of funding and our goal is 100% participation.**
